

Proposal for a Jump Start Project (JSP)

Title

- Name of Early Career Researcher (ECR)
- Name of mentoring PI
- Targeted Research Hub(s) and Research Challenge(s)

1 Scientific Proposal

Max. 3 pages. References do not count towards the page limit and should be included on the last page of the proposal. Please do not change the template.

Please explain the contribution to the goals of the CASA Research Hub(s) and the respective Research Challenge(s) your project proposal deals with.

1.1 Motivation, Relevance for CaSa and State of the Art

1.2 Previous Work

1.3 Proposed Research and Objectives

1.4 Expected Outcomes and Scientific Impact

1.5 Involvement of external stakeholders, mechanisms for exchange

Please state whether you plan to involve stakeholders external to CASA.

1.6 Links to existing third-party funded research projects

Project Title	Funding source	Amount (Euros)	Period	Role of the PI	Relation to current CASA FRP proposal

2 Planned Resources

Applications for JSP may only include a contract for the ECR with a duration of two years.

- **Equipment:** Equipment can be applied for via a separate application to the CASA Management Office. The application has to justify the significance for the achievement of the respective goals.
- **Student Assistants:** Must be requested via a separate application form, you may request a maximum of two assistant(s) per year per project. You apply for a funding of 12 months max. After that period a new application must be submitted, if a contract extension is desired. The applicant undertakes to ensure that the student assistants only do project-related tasks. The applicant must submit a monthly timesheet to the CASA Management Office. Please ask for the application form via info@casa.rub.de and send the application to info@casa.rub.de afterwards.

3 Duration

Expected start date: from MM / YYYY till MM / YYYY.
